# THE NOISY CRAFT

INSTRUMENT BUILDING AND SOUND  
EXPLORATION **WORKSHOP**

**FEBRUARY 8TH  
1PM TO 3PM  
SQUARE ONE  
WOODLAND PUBLIC LIBRARY  
250 1ST ST, WOODLAND, CA 95695**

# CRAFT YOUR OWN SOUND

From cardboard-guitar to plexiglass-flute or printer motors, with some tools and a little bit of imagination, it is possible to create a lot of different instruments and sound machines.

This workshop is not only about crafting your own noise maker, it is also about the recycling and the ecological aspect of creation.

During this first workshop we will build a single stringed electric guitar and a contact microphone.
